Remarkable Record of a Former Redwood City Man---Edited Times-Gazette

FREMONT OLDER WITH NEW YORK AMERICAN

Fought the Hearst Papers Through the Columns of Bulletin

Fremont Older, who has just been employed by the Hearst interests to manage the New York American, began his newspaper career in Redwood City in the latter seventies. Along in 1878 he was employed as a printer on the old San Mateo County Journal, then edited by R. G. Rowley. Several years later he was appointed manager and editor of the Times-Gazette, a position he filled for about four years. He then became a reporter on the Daily Call, in San Francisco. His work attracted attention and he soon became recognized as the cleverest newspaper man in the metropolis. Many years ago he was chosen managing editor of the Bulletin. Here he became a force in politics and civic affairs. He received a princely salary of $13,000 a year, the highest salary paid to any newspaper man in San Francisco.

For a long time William Hearst has had his eye on Older and has often made overtures to him. He wanted him to manage one of his big eastern publications. Older refused his offer and constantly lambasted Hearst in the Bulletin. Older finally accepted the tempting offer held out by Hearst. It is said that Older's salary in his new position will be $25,000 a year.

As a typesetter in Redwood City, Older probably received $12 or $15 a week. The big jump to $25,000 a year is certainly going some. However men of brains are capable of the feat. Mr. Older is not only a clever writer, but as a newspaper man he has few equals in the country. Hearst is aware of this and left nothing undone to secure his services. Mr. Older has a beautiful home at Los Altos which he will give up to live in New York. Mr. Older is well-remembered in Redwood City.

HALFMOON BAY ITEMS

The Young Ladies Sodality of the Catholic Church will give a Candidates Ball at the I. D. E. S. hall, Halfmoon Bay on August 17th.

The Misses Ethel and Marcella O'Keefe and Miss Genieve Hodgdson of Menlo Park are visiting at the Andy and Jack Gilcrest homes.

Francisco S. Thomas, dearly beloved wife of Joe. S. Thomas and loving sister of J. J. Santos and Rosie Gauldicio died at Halfmoon Monday, August 5, 1918. She was 58 years of age and a pioneer of Halfmoon Bay and loved by all who knew her. The funeral left the Thomas home at 10 a. m., then to the M. E. church where services were held at 10:30. She was buried in the I. O. O. F. cemetery.

Supervisor and Mrs. John MacBain, Miss Pearl McCormick of Menlo Park, Misses Blanche and Hazel Sullivan of Oakland visited Supervisor and Mrs. Joseph M. Francis Tuesday.

Miss Belle Vallejo after spending a month or so in San Diego has returned to take up her school duties.

Dennis Donovan was called to San Jose on account of the death of his brother-in-law, Thomas Leahy.

The Leon Wilson family moved into the city Friday where Mr. Wilson is employed.

G. A. Sage, father of Mrs. R. E. Wall, died at Grand Rapids, Michigan last Saturday. Mr. Sage spent one winter at Moss Beach where he had many friends. He was known there as the "Grand Old Man."

Marcel Levy, who was formerly a clerk in Henry Levy's store, was in town this week bidding good-bye to relatives and friends. Marcel was drafted and expects to leave this month.

Although a great many of our young men have gone to the front, the registration this year is greater than for the primaries two years ago. This shows the population of the county is steadily forging ahead.

To accommodate the convention of Catholics summering at La Honda to attend the Holy Mass on Sundays the pastor of the Halfmoon Bay church is saying Mass every Sunday at 11:30 a. m. in La Honda hall.

Joseph J. Bullock, the candidate for district attorney, was in town on Tuesday canvassing for votes. Mr Bullock is well-known on the coast side. Whereever he goes he is hailed as "Joe." Mr. Bullock will carry Halfmoon Bay by a large plurality.

Bob Letts, the popular candidate for recorder, was in these parts on Wednesday. Bob, as he is familiarly known here, will practically get a unanimous vote here.

APPRAISERS APPOINTED

Judge Buck has appointed appraisers in the following estates:

Estate of John Anderson, deceased, H. C. Tuchsen.

Estate of Joseph Malini, deceased, R. F. Chilcott.

Estate of J. B. Lindsay, deceased, H. W. Schaberg.

BUCK FOR BULLOCK FOR DISTRICT ATTORNEY

Capable and Qualified to Fill the Position With Credit to all Concerned.

Those allied against the candidacy of Joseph J. Bullock advance ten reasons why his opponent should be elected. There are, however, innumerable reasons why Mr. Bullock should be chosen for the office of district attorney of San Mateo county First, and beyond all reason he is efficient and well qualified to conduct the duties of the position. If elected there will be no overshadowing hand, he will be the district attorney and there will be no influence to sway him from his duty to the people. Then, too, Mr. Bullock has as his supporters the most influential citizens of the county among whom is Judge Buck, who has openly endorsed the candidacy of Mr. Bullock. This endorsement should convince the voters that he is qualified in every way for the place, for if he were not, he would not be backed for this important office, which is so closely allied to the superior court, by the judge. With this recommendation and a like endorsement from other influential and leading citizens of the county there ought to be no question as to Mr. Bullock's election.

From all parts of the county come encouraging reports of Mr. Bullock's candidacy. It is believed he will carry the coast side and the north end by big pluralities. It is practically conceded that he will lead in both San Mateo and Burlingame. A straw vote taken in Redwood City last evening showed Mr. Bullock to be far in the lead. With such a showing the result is apparent.

STANTON E. MULLEN WAS WOUNDED IN BATTLE

Going over the top and routing the Huns is great sport, according to Stanton E. Mullen, a Redwood City boy, who was wounded by a machine gun bullet in the leg in the big allied offensive of July 16th and is now in a base hospital in France. News of the wounding of Mullen reached Redwood City in a letter received this week by his brother, Lester E. Mullen, an employe of the California Pacific Title Insurance company.

Mullen, who is a son of Daniel Mullen, a pioneer resident of Redwood City, is a private in Company 75, Sixth regiment of the United States Marine corps. In his letter he said:

"Going over the top is great sport. We went over in the morning, but how far we got I don't know, as I was hit before the rest of the boys reached the enemy front line. A German machine gunner picked me off, then turned tail and ran. Someone else grabbed his gun then I had to crawl 110 yards to get away from him. I look forward to getting back into the fight in short order."

WILBUR DOXSEE WRITES FROM "OVER THERE"

Wilbur Doxsee writes from "Somewhere in France," to his parents here as follows:

Somewhere in France, July 14, 1918.—Another postscript to let you know that we are safely on terra firma. We will be here a day or two and then on to our training camp. Things have been interesting so far, the new customs and strange places. Everything is about as I imagined it. The trees and vegetation are much as they are in the United States, but the farms are queer little plots with earth fences and hedges dividing. Fine crops though. The narrow streets and old stone buildings crowding right up to the roadway are all so interesting. I was surprised at how many can speak some English. Even the kids sang "Hail, hail, the gang's all here, so what the H——do we care now," as we passed. Today our battalion was honored by representing the U. S. at a local celebration. We saw about 50 heroes decorated, including a kiss on each cheek from the general. The people gave us a royal welcome and even the smallest children saluted Old Glory as she passed. I'm able to make out some of the signs on the shops and expect to be a real linguist soon.

The young sergeant left with his bride for Camp Cody on Thursday.

LIEUTENANT KNOX IN FINAL REST

Body Escorted to Church by Loving Friends and Comrades From U. S. Army

WAS INSTRUCTOR IN AVIATION AT KELLY FIELD

The Remains Were Taken to Cypress Lawn Cemetery for Interment

On Tuesday afternoon of this week the funeral of Lieutenant Merton H. Knox, son of Mr. and Mrs. M. H. Knox of this city and brother of Miss Thelma Knox was held from the Knox residence on Stambaugh street, with W. A. Crowell of the James Crowe company in charge.

Lieutenant Knox met his death on Thursday of last week while in the United States aviation service at the Kelley field, Texas, and his remains were brought to this city under military detail by Lieutenant Robert F. Midkoff, an esteemed companion and friend of the deceased.

Merton Knox enlisted in the aviation corps on May 3, 1917, following his graduation from the Lick-Wilmerding school in San Francisco, thus dedicating himself to the United States in the great world-conflict for liberty and democracy.

After receiving his preliminary training in Texas, Merton Knox was transferred to the military school of aviation at Urbana, Illinois, and then returned to the Kelly field at Texas for his "ground training" with the aeroplane.

He speedily developed into an expert flyer and in May of this year received his commission as a lieutenant in the aviation corps. His death was caused by the 100-foot fall of his plane with both Lieutenant Knox and a student companion, the latter of whom escaped with minor injuries.

All the difficult work of flying, making the turns, diving and looping-the-loop had been skillfully accomplished by Lieutenant Knox according to all accounts at hand, when something went wrong and the unexpected happened, as is so often brought home to the most brilliant airmen.

At 2 p. m. on the day of the funeral the casket was transferred for removal from the Knox home to the Congregational church where the local obsequies were to be held.

Lieutenants L. D. Yates, R. C. Wright, H. W. Parton, H. H. Carey, W. P. Staniford and H. J. Cundy were the pallbearers. Soldiers from the 13th regiment, Camp Fremont, formed the U. S. military cortege. The stars and stripes overlaid the casket. The 319th U. S. Engineers' band played the regulation funeral march.

The Redwood City 30th Company, Home Guard, Captain C. G. Landscheit, followed the regulars in the procession.

The church edifice was crowded to the doors and hundreds were standing outside, while some 500 school children carrying American flags paid this silent tribute of respect to their town's soldier boy and his loyalty.

Surrounding the casket were placed a wealth of floral offerings sent by sorrowing relatives and friends of the deceased, including a beautiful shield and airplane wings from soldier comrades at the Kelly (Texas) flying field.

From the Lick-Wilmerding school at San Francisco, from which Merton Knox graduated, came an artistic floral pillow, while the service flag of the school, containing hundreds of stars and three of gold, was placed in front of the church.

The Congregational church, of which Lieutenant Knox was a member, sent a beautiful piece representing a waving flag, and to the church service flag had been added a new gold star.

Rev. Robertson Burle of San Mateo, in the absence of Rev. C. H. Stevens, conducted the services. He was pastor of the church in Sissons some years ago, which the Knox family attended, and had been the Sunday school teacher of Merton Knox.

Interment was at Cypress Lawn cemetery, near Colma, the regulation military honors being followed by scattering flowers over the grave and firing of final salute to the dead.

The sorrowing family have the sympathy of the whole community in their sad bereavement. Of Lieutenant Merton Knox it may be said, his name will live in the history of his country.

CLARK RICE GOOD CAMPAIGNER

Clark Rice, the candidate for county recorder, has developed one of the best campaigners of the season. Though a novice in the political game he has displayed wonderful tact as a vote getter. Mr. Rice is also an indefatigable worker. No task is too arduous in seeing the voter. He has seen nearly all the electors, laying before them his platform and urging their support. Mr. Rice will receive a strong support on the coast side of the county as well as in Rdewood City where he is well-known and well liked.

JAMES ROLPH COVERING NORTHERN CALIFORNIA

James Rolph of San Francisco is covering northern California this week in his strenuous gubernatorial campaign after a highly successful and busy week in the San Joaquin Valley, where he addressed enthusiastic crowds whenever he stopped. This week's schedule included meetings through the Napa and Sacramento valleys, with night meetings at Vallejo, Marysville, Grass Valley and Sacramento, Friday in Alameda county and Saturday closing at Richmond.

"I met with one of the most cordial receptions I have ever received," said Mayor Rolph on his return from the South. "I have been told that the people who attended my meetings outnumbered those of all the other candidates put together. There was never more enthusiasm at my meetings in San Francisco than I met with at Stockton, Modesto and other valley towns."

In his speeches Mayor Rolph has reiterated that the biggest issue before the State is the care of the returned soldiers after the war and the care of the dependents of those who have made the supreme sacrifice. He also insists that women workers who are taking the places of men gone to war should receive the same wages as the men if they do the same work. He believes that a business man of experience is needed for the tasks ahead and promises, if elected governor, to carry into the service of the State whatever talent for getting things done right that his business experience may have developed.

Because a wrong impression has existed in regard to his stand on health insurance legislation, Rolph has issued a statement in explanation. In this statement he says:

"While I declared in favor of the amendment, I am not committed to any particular plan to carry it into effect if adopted by the people. I will strenuously oppose, however, any legislation which will tend to degrade the medical profession or impair the efficiency of its members, create an army of "panel" or salaried doctors employed by the state, or render the insured workingman the unwilling patient of a state selected or controlled physician."

Former Mayor Thomas Monahan, of San Jose, prominent business man and past Grand President of the Native Sons, has declared for Rolph for governor and believes he will carry Santa Clara county.

The Pittsburg Dispatch, with the idea in mind of getting a line on the political sentiment of the community, had representatives of the paper take a straw vote in the business district Wednesday evening. Following is the vote:

Republican Ticket.

Rolph	95
Stephens	7
Hayes	4
Fickert	1

Democratic Ticket.

Rolph	14
Heney	5
Woolwine	1
Total	127

The Oakland Tribune says editorially: Candidates for state offices other than governor who have canvassed the state north and south, and whose opinions may be regarded as unbiased, agree that the Republican nomination lies between Rolph and Stephens, with Rolph apparently in the lead and gaining."

DR. C. V. THOMPSON ALMOST SURE TO B EELECTED

As the primary election approaches the more certain it becomes that Dr. C. V. Thompson will be elected supervisor of the Fifth Township by a substantial majority. His many friends now believe he will carry every precinct in the district with a decided plurality. The popular candidate deserves all this mark of appreciation for the manner in which he has administered the affairs of his office. Not onl has he given the people of his district the best thoroughfares they have ever had but he has been ever watchful on the board to see that his constituents secured their full share of the good things when they were being passed around. Dr. Thompson has been a faithful, painstaking and able supervisor and the voters and taxpayers of the Fifth Township will do well to retain him in office.

The United States Treasury has extended additional credits of $100,000,000 to France, $9,000,000 to Belgium, and $3,000,000 to Serbia. The total of credits advanced to our associates in the war against Germany is now $6,492,040,000.

WORDS OF ENCOURAGEMENT

Judge Lennon, candidate for associate justice of the supreme court, is receiving flattering words of en-

couragement wherever he goes. He is an able judge, well balanced, learned in the law and fair and impartial in his decisions.

Judge Lennon has been the presiding judge of the court of appeals of the state during the past ten years and during that time has written many important decisions which are noted for soundness and also for their literary merit. Judge Lennon would honor the supreme court by his presence and lend dignity to that tribunal. His vote in San Mateo county will be overwhelming.

VOTE FOR ESKWARD THE COUNTY NEEDS HIM

Assemblyman Frank L. Eskward who seeks re-election at the coming primary election is certain to receive the unqualified support of every voter who has the best interests of the county at heart. Eskward has proven his worth and value to the county by the splendid results which he achieved at the last session of the legislature and with the experience and standing gained there is pre-eminently fitted to carry on his fight for the bills which are of vital concern to every resident of the county. The constitutional amendment which guarantees San Mateo County home rule in local affairs in case of annexation to San Francisco, was placed on the November ballot through the tireless efforts of Eskward. The Partial Tax Redemption Bill which has already been of tremendous assistance to people in all parts of the state and particularly in this county where more than 700 people were able to redeem their lots and secure good title to their holdings, is another important measure which was introduced by Eskward at the last session and passed by both houses after a bitter fight.

Eskward knows the needs of every part of the county and has devoted the past ten years of his life to work for it's developement. This fact together with his splendid achievements and standing in the legislature, makes him without question, the best qualified man to represent San Mateo County and entitles him to the support of every voter who is interested in the progress and prosperity of the community. Reward his faithful and efficient service with your vote at the primary.

FREE PUBLICITY OPPOSED

Editors Advised to Put in Waste Basket Product of Publicity Agents Employed "to work" the Newspapers.

The California Press Association, the state organization of newspapers, at its convention advised all of its members to consign free publicity matter to the waste basket, to discourage the publicity agent employed "to work" the newspapers for free space, and adopt the following resolution:

WHEREAS, The demand for free publicity has increased so as to become a great menace to the newspapers; and

WHEREAS, In many cases publicity men are employed for the purpose of securing free space for those who should be, but are not, advertisers;

RESOLVED, That the members of this Association are advised not to print free reading notices; for shows exhibits, races, fairs, political candidates, causes, propagandas and those who, while providing budgets to defray other expenses, do not advertise in the newspapers.

E. A. HAYES AMONG THE VOTERS

E. A. Hayes is making a thorough canvass of the Eighth district which he has represented in congress for many years with credit to himself and his constituents. His friends are rallying to him with their support with unbounded confidence and with the belief that he will be re-elected. Mr. Hayes, last week, in a long announcement explained his vote on the war measures in congress which has changed many votes in his favor. Mr. Hayes, if nominated, will defeat his democratic opponent at the polls next November.

JAS. V. NEUMAN VALUABLE MAN

James V. Neuman has made a thorough canvass of the voters of the county and from the encouragement he received everywhere he is certain of election. His plurality will be overwhelming. The tax payers know his worth, ability and honesty and are going to retain him in the county surveyor's office. Mr. Neuman has a splendid record as an engineer and road builder, his system of roads in San Mateo County proves this. "Elect Neuman county surveyor" is the slogan of the voter.

Judge Buck on Wednesday granted a final decree of divorce to Guiseppi Schenone from his wife, Maria Schenone. The interlocutory decree was granted on February 14, 1916.

SCHOOL TEACHER'S VIEWS ON CANDIDATES FOR OFFICE

School teachers are probably supposed to have views on political matters but are not expected to express them. For once I will violate this time-honored custom.

At the primary there are three candidates for Justice of the Supreme Court to be elected for terms of 12 years. No man of broader attainments or higher character has in years been a candidate for our highest tribunal than Judge Curtis D. Wilbur. Those who had the pleasure of hearing his address before the San Mateo County Sunday School Convention at Redwood City this year will soon forget his eloquent words. He is already a member of the Supreme Court by appointment, after several years' service on the Superior Court of Los Angeles county, dealing particularly with juvenile cases. A man of his broad sympathy, yet in the prime of life, should find a place in our highest state court. He is a brother of the president of Stanford University.

Naturally school teachers have an interest in their superior officers. Since 1914 Hon. Will C. Wood has been State Commissioner of Secondary Schools. He now asks election to the position of State Superintendent of Public Instruction. If marked success in an educational position merits promotion then Mr. Wood certainly deserves to be placed at the head of our school system. High school principals who have come into close contact with him are for him almost as a unit. I have heard many favorable comments on the address he delivered at the high school commencement on June 3. Now our people have a chance to show their appreciation by giving him a substantial vote.

Both these positions are non-partisan. Now I mention a partisan position.

After 12 years capable service in the House of Representatives, Hon. E. A. Hayes asks re-nomination. I have not heard his capacity questioned. With his experience and acquaintance he can be of more service now to the Eighth district than any new man, no matter what his ability. He voted against declaring war on Germany, but has consistently supported the government on all war measures since we went to war. But for this vote Mr. Hayes would probably have been unopposed for the nomination. With 500 letters and telegrams from people of his district demanding he vote against war, and only 25 that he vote for it, it is not remarkable that he voted as he did. Men's patriotism can not be measured entirely by what they say. Personally I never believed we would escape war. I was certain we would not after the sinkink of the Lusitanit, and wanted it to come at once, but it took months for the whole people to make up their minds to fight. I don't know what the antagonist of Mr. Hayes stands for. The real measure of Mr. Hayes' patriotism is the fact that he has three boys in the service as he is too old to go himself. But his opponent is not. He is in the prime of a vigorous manhood. If he wants to show himself a more patriotic citizen the way is clear, but it leads to the trenches and not to Congress.

In local matters our people have the same knowledge of candidates that I have, and I do not presume to give them advice.

S. P. McCREA.

THE FOURTH LIBERTY LOAN

The campaign for the Fourth Liberty Loan will begin September 28 and close October 19. The result of the loan will be watched with keen interest in Europe, not only by our associates in the war against the Teutonic powers but by our enemies. It will be regarded by them as a measure of the American people's support of the war.

The Germans know full well the tremendous weight and significance of popular support of the war, of the people at home backing up the army in the field. As the loan succeeds our enemies will sorrow; as it falls short they will rejoice. Every dollar subscribed will help and encourage the American soldiers and hurt and depress the enemies of America.

The loan will be a test of the loyalty and willingness of the people of the United Stataes to make sacrifices compared with the willingness of our soldiers to do their part. There must be and will be no failure by the people to measure up to the courage and devotion of our men in Europe. Many of them have given up their lives; shall we at home withhold our money? Shall we spare our dollars while they spare not their very lives?

BUILDING AND LOAN COMMISSIONER'S REPORT

The twenty-fifth annual report of Building and Loan Commissioner George S. Walker, showing the condition of the Association for the fiscal year ended June 30, 1918, was forwarded to the Governor by him Friday.

From the report we gather the following:

The gross assets of the 86 California associations now aggregate $37,120,998.91, a net increase for the year of $1,192,552.07. Sixteen counties with 63 associations show a gross increase of $1,408,040.68 while 11 counties with 23 associations show a decrease of $215,448.61.

The number of members and investors are reported as 40,409 with an average investment of $825.33. The number of borrowers appear as 21,023 with an average loan of $1,605.33.

Real estate held by 61 associations has a book value of $1,400,275.65, the equivolent of 3.77 per cent of the gross assets. The net profits are scheduled as being $2,304,821.42 or 6.964 per cent upon the average of all loans in force for the year.

The 86 associations have 14 different loaning rates,

	per cent
Mean average of which is	8.090
Income from int. collect'ns.	8.265
apparent gross inc. appears as	8.349

The divident rates to installment shares ranged from 5 to 13 per cent. with a mean average of 6.850 per cent.

The dividends apportioned to the several classes of investment has been as follows:

Installment shares	$859,575.57
Full-paid shares	456,547.74
Investment certificates	628,128.03
Guarantee stock	121,713.13

Withdrawals by members and investors during the year summarize as follows:

Acct. of dues capital	$ 8,346,670
Acct. profits apport.	2,097,200
	$10,443,870

or more than 29 per cent of the total assets at the beginning of the year.

San Mateo county is represented by two associations, one in San Mateo and one in Redwood City. Assets of these two associations aggregate $467,367.43.

The total expense of the Building and Loan Commission, as shown by the report for the year ending June 30, 1918, was $11,500 paid from sums of money received as fees from the building and loan associations of the state. Like that of many other commissions this tax is not a charge upon the tax payers as a whole.

SUIT TO CORRECT DEED

James Paulsen of Burlingame has brought an action in the superior court against the executors of the estate of Mrs. Josephine A. Phelps to compel them to correct and reform certain deeds to a block of land in the Eastern Addition to Redwood City. The deeds, which are incorrect and incomplete, were executed by Mrs. Phelps in 1918. Will H. Chipman and the Union Trust company of San Francisco are the executors of the Phelps estate, J. J. Bullock, Gilbert D. Farrell and John D. Willard are the attorneys for plaintiff.

UNEXPIRED TERM, SUPREMME COURT, MUST BE FILLED

Through the failure of the people at the election in 1916 to adopt Senate Constitutional Amendment No. 11, adding section 10½ to article VI of the Constitution, providing that where a justice of the Supreme Court or District Court of Appeals or judge of the Supreme Court is appointed by the governor to fill a vacancy he shal lhold office until the first Monday in January after the next succeeding election, thereby doing away with the necessity for electing someone to serve in the intermin between the election and the first Monday in January, a situation similar to that existing four years ago in the case of the Chief Justice of the Supreme Court and of the Presiding Judge of the District Court of Appeal for the Second District has arisen in the case of Mr. Justice Curtis D. Wilbur of the Supreme Court, appointed by Governor Stephens to succeed F. W. Henshaw, who resigned.

Mr. Justice Wilbur, if elected, will not take office until the first Monday of January, 1919, therepy leaving a hiatus in the office of associate justice of the Supreme Court now held by him from the date of the election in November to the first Monday of January following, a hiatus that may prove extremely annoying to the court and detrimental to its work. It will therefore be necessary for the voters to write in the name of Mr. Justice Wilbur in the space left on the ballot for unexpired term, associate justice of the Supreme Court, no petition for nomination to that office having been filed.

FOR CONGRESS GOOD ROADS SENATOR M. B. JOHNSON

Senator M. B. Johnson's campaign committee is delighted with the enthusiastic reports received from all parts of the Eighth Congressional District. Johnson is making a clean, manly, vigorous fight for the Republican nomination. His pleasing personality, his vibrant physical fitness and his sturdy Americanism are winning him votes. Senator Johnson had the title (Good Roads) conferred upon him on account of his activity in the development of road building throughout the state. This work originated in his little home town of Montara on the coast side of San Mateo county.

He has given freely more than one-third of his time to county and state development work during the past twelve years. As chairman of the Roads and Highways Committee of the State Senate, Johnson showed splendid ability in securing legislation of a great practical value, and established a reputation for team work. His experience in the Senate is excellent preparation for the wider field of usefulness in Congress.

Senator Johnson's platform pledges his full non-partisan support in the prosecution of the war, and every measure that will aid our boys at the front. He believes that this war is a fight to the finish to uphold America's high ideals.

Senator Johnson has opened headquarters at San Jose, and during the next four weeks will for the fifth time, visit personally every section of the district. He has certainly shown remarkable ability and activity as a live wire campaigner.

JAMES ROLPH COVERING NORTHERN CALIFORNIA

James Rolph of San Francisco is covering northern California this week in his strenuous gubernatorial campaign after a highly successful and busy week in the San Joaquin Valley, where he addressed enthusiastic crowds whenever he stopped. This week's schedule included meetings through the Napa and Sacramento valleys, with night meetings at Vallejo, Marysville, Grass Valley and Sacramento, Friday in Alameda county and Saturday closing at Richmond.

"I met with one of the most cordial receptions I have ever received," said Mayor Rolph on his return from the South. "I have been told that the people who attended my meetings outnumbered those of all the other candidates put together. There was never more enthusiasm at my meetings in San Francisco than I met with at Stockton, Modesto and other valley towns."

In his speeches Mayor Rolph has reiterated that the biggest issue before the State is the care of the returned soldiers after the war and the care of the dependents of those who have made the supreme sacrifice. He also insists that women workers who are taking the places of men gone to war should receive the same wages as the men if they do the same work. He believes that a business man of experience is needed for the tasks ahead and promises, if elected governor, to carry into the service of the State whatever talent for getting things done right that his business experience may have developed.

Because a wrong impression has existed in regard to his stand on health insurance legislation, Rolph has issued a statement in explanation. In this statement he says:

"While I declared in favor of the amendment, I am not committed to any particular plan to carry it into effect if adopted by the people. I will strenuously oppose, however, any legislation which will tend to degrade the medical profession or impair the efficiency of its members, create an army of "panel" or salaried doctors employed by the state, or render the insured workingman the unwilling patient of a state selected or controlled physician."

Former Mayor Thomas Monahan, of San Jose, prominent business man and past Grand President of the Native Sons, has declared for Rolph for governor and believes he will carry Santa Clara county.

The Pittsburg Dispatch, with the idea in mind of getting a line on the political sentiment of the community, had representatives of the paper take a straw vote in the business district Wednesday evening. Following is the vote:

Republican Ticket.

Rolph	95
Stephens	7
Hayes	4
Fickert	1

Democratic Ticket.

Rolph	14
Heney	5
Woolwine	1
Total	127

The Oakland Tribune says editorially: Candidates for state offices other than governor who have canvassed the state north and south, and whose opinions may be regarded as unbiased, agree that the Republican nomination lies between Rolph and Stephens, with Rolph apparently in the lead and gaining."

DR. C. V. THOMPSON ALMOST SURE TO B EELECTED

As the primary election approaches the more certain it becomes that Dr. C. V. Thompson will be elected supervisor of the Fifth Township by a substantial majority. His many friends now believe he will carry every precinct in the district with a decided plurality. The popular candidate deserves all this mark of appreciation for the manner in which he has administered the affairs of his office. Not onl has he given the people of his district the best thoroughfares they have ever had but he has been ever watchful on the board to see that his constituents secured their full share of the good things when they were being passed around, Dr. Thompson has been a faithful, painstaking and able supervisor and the voters and taxpayers of the Fifth Township will do well to retain him in office.

The United States Treasury has extended additional credits of $100,000,000 to France, $9,000,000 to Belgium, and $3,000,000 to Serbia. The total of credits advanced to our associates in the war against Germany is now $6,492,040,000.

JAS. V. NEUMAN VALU

James V. Neuman h thorough canvass of the voters of the county and from the encouragement he received everywhere he is certain of election. His plurality will be overwhelming. The tax payers know his worth, ability and honesty and are going to retain him in the county surveyor's office. Mr. Neuman has a splendid record as an engineer and road builder, his system of roads in San Mateo County proves this. "Elect Neuman county surveyor" is the slogan of the voter.

Judge Buck on Wednesday granted a final decree of divorce to Guiseppi Schenone from his wife, Maria Schenone. The interlocutory decree was granted on February 14, 1916.

SCHOOL TEACHER'S VIEWS ON CANDIDATES FOR OFFICE

School teachers are probably supposed to have views on political matters but are not expected to express them. For once I will violate this time-honored custom.

At the primary there are three candidates for Justice of the Supreme Court to be elected for terms of 12 years. No man of broader attainments or higher character has in years been a candidate for our highest tribunal than Judge Curtis D. Wilbur. Those who had the pleasure of hearing his address before the San Mateo County Sunday School Convention at Redwood City this year will soon forget his eloquent words. He is already a member of the Supreme Court by appointment, after several years' service on the Superior Court of Los Angeles county, dealing particularly with juvenile cases. A man of his broad sympathy, yet in the prime of life, should find a place in our highest state court. He is a brother of the president of Stanford University.

INTERESTING ITEMS FROM SAN CARLOS

Happenings in Our Northern Neighbor Town Reported by One of Its Residents

SAN CARLOS ITEMS

Mrs. S. J. Mann who made her home here for many years until she sold her place to Mr. A. E. Botterell, and at which time she took temporary domicile at the Riverside Apartments, San Francisco, while she waited the completion of her new home in the Berkeley hills, now writes that she and her folks are very comfortably ensconced in their new bungalow at an ideal spot overlooking the Golden Gate and the San Francisco shores from which they enjoy "most gorgeous sunset views." That her San Carlos friends may have no difficulty in finding their little nest among the hills Mrs. Mann has given minute directions. They are at 1212 Glen avenue, taking the most convenient line, the Key Route from San Francisco, getting off at University avenue, taking the Northbrae Euclid avenue car to Eunice street, thence walk a block down Eunice to Glen avenue and you are at the spot. Phone, Berkeley 2242. Mrs. Mann writes that upon receipt of the Gazette she always searches out the San Carlos column for the home news first.

Mrs. Mary E. Quinn and her two daughters the Misses Jeanette and Edith, returned home from a three weeks' visit with her sister, Mrs. de Lo Pez on their ranch out in the mountains from Morgan Hill.

The San Carlos school opened last Monday morning with Miss Gertrude Hind in the chair. As attestation of the popularity of Miss Hind, she was elected by unanimous vote of the children.

To avoid confusion, and for fear we might lose our identity, by petition to the board of supervisors the name of our school district has now been changed to San Carlos instead of West Union.

Mrs. Lester A. Conklin and three children have returned home from a week's visit with friends and relatives in Piedmont and other places across the bay.

It is already conceded that district attorney Fickert will receive the unanimous vote of the San Francisco Chamber of Commerce while Jimmie Rolph will get the balance of the San Francisco vote.

Mrs. R. P. Hurlbut and her daughter, Miss Muriel Clark, have taken apartments in San Francisco for an indefinite time.

Mrs. S. J. Boone in company with Mrs. Kettering of Newman and Mrs. A. E. Rose of Sacramento were the guest of their brother, Jno. E. Cowgill a part of last week.

Mr. Hurlbut and his wife from Healdsburg are here for a protracted visit at the home of his father, R. P. Hurlbut, the building contractor.

Miss Helen K. Jewett, who has been visiting at the home of her aunt, Mrs. Kate L. Farnham, left for Hayward last Friday to visit with relatives before proceeding to her home in the south.

Fred H. Drake, manager of the San Carlos properties, has disposed of the five-room bungalow on the corner of Cypress and Walnut streets to Mr. B. L. Stewart, who is manager of the Baldwin Piano company in San Francisco. Mr. Baldwin's two children will increase our school attendance and he will add one more commuter between here and the metropolis. The Quinn cottage is now the only vacant property in our little city.

A number of fellow students of San Carlos and Belmont who attended high school with Ray Griffith, regret that they are not residents of Redwood so that they might help to add to the large vote they anticipate for him at the coming primray.

Mrs. Robert Dean and her little daughter, Constance, have returned to their home in San Francisco. They were guests of Mrs. Virginia A. Lord while here.

Mrs. Richard J. Shields went to Santa Cruz for the week-end.

Mrs. J. C. Rodrigues of San Francisco with her small children, is visiting at the Jas. O'Brien home.

Forum, Baptist Church

The significance of the Primary Election with special reference to the one to be held on the 27th inst., will be the subject discussed at the Forum Baptist Church, Sunday evening. John D. Willard, Esq. will be the speaker. As the coming Primary is of vital interest to the temperance forces working for the ratification of the national prohibition amendment it is desirable that a large attendance be had. A discussion from the floor will be invited.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

James Rolph should receive the unanimous vote of Menlo Park. Through his efforts Camp Fremont was located here and we all know what it has done for the community. If the people are grateful they will vote for him.

Many regrets are expressed at the departure of Major Galen from Camp Fremont. He left with the regiment going to Siberia on Tuesday. Major Galen was chief of the Judge Advocate's office at the camp. He was held in nigh esteem here.

Mrs. Oregon E. Morris has disposed of her beautiful home in the Coleman tract to Edward H. Nutter of Berkeley. The sum of $9000 was paid for the choice property.

Judge Thomas J. Lennon, who spent his boyhood in Menlo Park, will receive a big vote here for associate justice of the supreme court He is a self-made man, and an able jurist and deserves well at the hands of the people of the state.

Miss Louise Clark left yesterday for Straw, Modoc County, to take charge of a school there. Miss Clark graduated with honors from the State Normal school at San Jose last June. She is the youngest daughter of Mr. and Mrs. M. L. Clark of University Heights. Miss Clark is a pleasing and clever young woman who is certain to be successful in her chosen profession.

General Leicht made an order on Thursday restoring the evening hours of leisure to the soldiers. By the terms of the new order the boys in khaki will not have to report at the camp until 11 o'clock in the evening, except Wednesday and Sunday evenings when the time will be extended to 12 o'clock. The order is hailed with delight by everyone.

On Tuesday about 2000 soldiers departed from Camp Fremont to Siberia. The boys were jubilant, cheering lustily as they left the camp for the cold regions of the arctic.

The retreat at Santa Clara college last week was attended by a number of retreatants of this county. Among them being E. J. Tobin, Miles Sharkey, Jas. T. O'Keefe, Dr. Jennings, John McCann, Attorney Williams and Ed. Stack. Judge Coffey and Attorney Delmas were in attendance. This was the last retreat of the year.

The trustees of the Ravenswood school district have awarded a contract to W. D. Henderson for the erection of a one-story brick building to be built at Runnymede in 100 days. The contracted price of the structure is $16,678. Work has already begun on the building.

A bazaar for the benefit of the Red Cross Society will take place at the beautiful home of Mrs. Timothy Hopkins this afternoon. A band from Camp Fremont will regale the big crowd that will be there with choice music. Booths of all kinds will be in evidence all over the grounds where will be sold every describable thing from a needle to an anchor. Camp Fremont Ladies' booth will attract attention with its bric-a-brac and embroideries, gold and silver articles, comfort bags, gowns, hats, etc. The children's playground will also attract attention by its toy booth, Punch and Judy show, ponies and children's automobile. The patronesses of the affair are Mrs. J. L. Flood, Mrs. Timothy Hopkins, Mrs. E. L. Eyre, Mrs. B. M. Breeden, Mrs. James T. O'Keefe, Mrs. P. P. Fyre, Mrs. Frank Derry, Mrs. Sig Stern, Mrs. J. B. William Feeley, the young son of Mr. and Mrs. William Feeley of Menlo Park, was wounded in the big drive at the front in France some time in July. His parents received a letter from the young man during the week saying that while in action he received a knife wound in his left hand. He was taken to the base hospital for treatment and by this time he no doubt has left the institution and has re-joined his regiment. He is attached to Company E, Fifty-Eighth Infantry. He left here last year with one of the San Mateo county draft contingents for Camp Lewis.

The fire house is being moved close to police headquarters on Merrill avenue. It is to be renovated and additions made to the building and will be used as a town hall. The old structure was erected fifteen years ago and has served its purpose well.

PESCADERO ITEMS

C. H. Widemann is away on business in San Francisco.

M. J. Perry, our popular candidate for justice of the peace, has a house full of company from San Jose this week.

F. M. Goularte, the well-known candidate for constable, was one of the guests of Miss Beatrice McKay, of San Gregorio, at a farewell party given in her honor. Miss McKay is a trained nurse and leaves Tuesday for the city.

We were all pleased to see the smiling countenance of Edgar Shaw the popular candidate for supervisor in town this week. Mr. Shaw is well-known and liked by all here. He was born and raised in Pescadero, and is a very capable business man. He has served the public before as grand juror, and we all know that he can fill the office well, and feel that the Fifth District will be well served.

Gerald Edeline, machinist, is kept busy these days repairing machines. He is well learned at the trade, and is "Jerry-on-the-job."

Jack Nunes and family made a trip to Santa Cruz and returned Sunday. Jack just loves the surf and there are those little attractions that draw him on the beach.

Jack Machado's house is well on the road to completion, Littlefield's crew are bears when it comes to house-building.

PLEASED WITH SOCKS SENT BY MRS. KEARSE

John Huling, son of Mrs. Huling of this city, writes to Mrs. J. Kearse acknowledging receipt of three pairs of socks sent by Mrs. Kearse to him in France last May. Mr. Huling is with the American forces at the front. He writes as follows:

July 21, 1918—Dear Friend: Just a few lines to thank you for the socks that I received from you. I consider myself very lucky to have such good neighbors and friends as they are in Redwood.

I guess you hardly remember me. It is quite a few years since I last saw you, but I can readily place you as you were especially at all the Catholic fairs.

You do not know with how much pleasure our boys receive such presents as you made for me. You know when asoldier's feet are not right, he makes a pretty bum soldier. The winter weather over here is very cold and one needs good, warm clothing to keep himself in the best of shape. I guess this weather is something similar to the weather that they have in Ireland, which place I would like to see before returning to the U. S. after hearing so much about this country, you feel like you do not like to miss one single sight while here.

It was quite a sight to our boys when we first landed over here. They still do things in the same fashion as their ancestors did hundreds of years ago.

Well Mrs. Kearse, I will not trouble you with any more of this stuff.

Thanking you again for your useful present and hope that you are still in the best of health and that you will be at the train to welcome the boys home after their complete victory over militarism of the German sort. I remain,

Yours truly,
J. F. HULING.

OPENING OF THE SEQUOIA UNION HIGH SCHOOL

Sequoia U. H. S. opens on August 19 for the year. When the last school year closed there were in attendance pupils in the various classes as follows:

Juniors	22
Sophomores	30
Freshmen	35
Low Freshmen	15
	102

It is probable the enrollment of new students this year will reach about 40. There will be some losses from the classes of last year, when our enrollment was 138 and an attendance of 114.

The teachers are the same as last year with one addition. Miss Inez Matthews, graduate of the University of California, and for two years teacher in the high school of Halfmoon Bay, will have charge of classes in Ancient History, Mediaeval and Modern History, Physical Geography and a new course in Physiology and Hygiene for girls. She will also have charge of the physical training of the girls which will be given chiefly from 3:05 to 3:45 at least four days each week.

Students having books for sale now in use in the High School are asked to have them listed with the principal and on his desk by 8:30 on Monday. Those meaning to attend school this year should be present for enrollment at 9 a. m. on August 19. Those coming in late usually lose by such delay often enough to make their standing uncertain.

S. P. McCREA, Principal.

— to continue Hiram W. Johnson's Policies

(FROM ROLPH'S PLATFORM)

"If elected Governor I shall preserve and carry forward all the great humanitarian, constructive, progressive work of Governor Hiram W. Johnson's administration. It was Hiram W. Johnson's courage and vision that brought about the new order of things in California.

"I think that my career as mayor of San Francisco demonstrates my will and my ability to maintain the rights of the plain people. In my admiration for the accomplishments of Governor Johnson's administration, I include especially the work of those great boards and commissions such as the Railroad Commission, the Industrial Accident Commission, the State Board of Control and the Corporation Commissioner, whose jurisdiction, whose independence and whose character must be protected against open or covert attack.

"I shall, if elected, be on my guard that the efficiency of those boards and commissions for the public service shall not be impaired under any pretense. The men and women who stood so loyally by Hiram W. Johnson need have no fear in leaving his work in my care. Of course, if economy and efficiency can be served by consolidating any of the commissions, I shall approve such consolidation; but in taking such a step I shall be guided by a spirit of fidelity to the progressive ideas which those boards and commissions represent."

Rolph has the resolute courage to *act* and the well-balanced ability to act *effectively*.
